SIR:

**INTRODUCTORY COMMENTS**

This amendment is presented with Applicant's Request for Continued Examination (RCE). A final action issued in this case on April 4, 2006. The undersigned and USPTO Examiner Pickard conducted a brief telephonic interview on April 25, 2006 regarding the prior art references of Schofield and Iverson, both previously made of record, but did not reach agreement

regarding any of the then pending claims. All of the then pending claims were discussed. Nevertheless, the discussion was helpful and the undersigned appreciates Examiner Pickard's consideration. Additionally, the undersigned appreciates that Examiner Pickard prepared and forwarded the Interview Summary Form PTOL-413. The undersigned has nothing further to add to the Examiner's statements set forth in the Interview Summary. Applicant hereby includes new claims 9-24. Applicant has canceled claims 1-8. This paper is timely mailed on or before Friday, August 4, 2006, pursuant to 37 C.F.R. § 1.7, to fall within the first month extension of the three-month shortened statutory period. As set forth below, and attached hereto, Applicant respectfully petitions the Office for a one month extension of time under 37 C.F.R. § 1.136(a) and has included herewith the extension of time fee of \$60.00, pursuant to 37 C.F.R. § 1.17(a)(1).
